

‘You said... we did...’

AND NEXT STEPS

Spring term 2020 Students

You said

More indoor eating space

Healthier café food

PSHE in KS4

Toilet facilities should be better cleaned and maintained

Consistent use of Moodle and EduLink

HoH will have too many students as the school grows

We did

Each Year group has been designated an indoor eating space.

The prefects have spoken to the chefs and are discussing healthier options to include more fruit and veg.

Teachers have had training on EduLink and Moodle to ensure these platforms are used correctly and consistently.

The site team has been asked to review the condition of toilet facilities.

New format for speak outs to include more students on a rotation basis and improved collaboration with tutor groups.

Next steps

Consider how to support students pastorally as the school expands.
